- 50 Cocoa-based fat glaze

Disclaimer:

The information about the ingredients (= additives, allergens) is based on information that we receive from the manufacturers and suppliers. Due to the variety of products of manufacturers, it is possible that cross-contamination can occur and that the products also contain traces of ingredients that are not labelled. While we take extreme cautions to minimize the risk of cross contamination in our kitchen, we cannot guarantee that any of our products are safe to consume for people with allergies. The Studierendenwerk Gießen therefore excludes any liability for non-prescription components of the food.
